

Welcome and Orientation

Rebecca Hwa, Adam Aviv, Shi Feng,
Robert Pless, Arkady Yerukhimovich

AI in Cybersecurity Summer Institute
June 1, 2026

Institute Goal

Work with cybersecurity educators to integrate AI into the curricula in ways that are technically grounded, responsible, and teachable.

Today's Schedule

- Orientation (10am - 11am)
 - Welcome remarks (Dean Zara, NSF visitors)
 - Faculty Introduction
 - Cohort Self-Introduction (one minute per person)
- Morning session (11am - 12pm) – World view and state of AI (Shi)
- Lunch (12pm - 1:30pm)
- Afternoon session (1:30 - 4pm) – ML Tech Stack (Robert)
- Free Time (4pm - 5pm)
- Evening welcome reception (5pm - 7pm)

2026 Cohort

Ramadan	Abdunabi	Colorado State University	Deveeshree	Nayak	University of Washington
Ali	Al Bataineh	Norwich University	Tolu	Odumosu	Morgan State University
Maha	Allouzi	Kent State University	Jianli	Pan	George Mason University
Asaad	Althoubi	Oklahoma State University	Heena	Rathore	Texas State University
Long	Cheng	Clemson University	Anthony	Rizi	Augusta University
Jessie	Cossitt	Mississippi State University	Jia	Song	University of Idaho
Huirong	Fu	Oakland University	Stu	Steiner	Eastern Washignton University
Yoochwan	Kim	University of Nevada, Las Vegas	Iman	Vakilinia	University of North Florida
Ahmet	Kurt	East Texas A&M University	Ping	Wang	Robert Morris University
Chengcheng	Li	University of Cincinnati	Xiaochan	Xue	University of Hawaii at Manoa
Anyi	Liu	Oakland University	Haopeng	Zhang	University of Hawaii at Manoa
Bev	Magda	Cedar Crest College	Ting	Zhu	The Ohio State University
Mahdi	Nasereddin	Penn State			

Cohort Self-Introduction

Please aim for about one minute:

- Your name and institution
- One course / student population you are thinking about
- One thing you want to leave with by the end of the institute

We're Glad You're Here!

You bring different institutional contexts, student populations, and technical expertise. The cohort is a significant part of the value. We look forward to learning from each other.
